Love, the Alpha and the Omega
Part 1

The Word says that God is Love, therefore Love (Agape') is God! Love has sought you out and searched you out, you, yes you! Love has created all of the heavens and the earth out of Himself, but you are the only type of living being in the heavens and the earth that is unique being made after His image, a God-creature. No animal, or plant or star, or planet, can claim the "sonship" of God except those who have gained their salvation and their "sonship" through Christ. There is nothing as great as knowing that you are favored by, loved by and a physical part of the one and only living God, the creator of the heavens and the earth. There can be no more a humbling and yet an exhilarating knowledge than that He (God Almighty) loved you so much that He sent His only Son (Jesus) to give you the ability to have eternal, everlasting, abundant life! There is nothing that would turn men from distraction, destruction, or self-desecration like knowing without a shadow of a doubt that God loves you with a never-ending, ever faithful love. Knowing that He so cherishes you that He desires to share friendship, companionship, fellowship, goodness, kindness, power, and strength with you! Imagine yourself in His arms, hugging Him...finally HOME with Him, after waiting so long to see Him...you see Him and you run to Him and reach for His loving arms.
