

The Power of the Tongue

By Pastor Sherry Gregory

The following teaching is a word study and will lead you into a new understanding of the power of the words that you speak. The words are defined according to the Greek and the Hebrew definitions that we rarely take the time to research unless we are people who hunger for more and more of God's truth and enlightenment. In this study I am teaching about the power of our words, and the reason for learning to control what we say. It is one of the assignments that I have been given by the Holy Ghost, and in teaching this I am learning and growing every day. That is the way the Kingdom of God's Spiritual laws work, seedtime and harvest. What we say happens, and death and life are in the power of the tongue. Often the world wants us to believe, and spends a lot of time trying to convince even little children that they should not speak out things that they read, the world in fact teaches that it is not a good practice to speak while one reads. They are absolutely wrong. When one speaks as one reads, it reinforces what is being read. If a person of faith wants to get something really down into their hearts and minds, one thing they can do to speed up the process is to speak out as they read the Word of God, the Bible. This causes powerful things to happen in the atmosphere, things unexplainable in the natural, but now even science has proven and agrees that what is spoken out changes things, in a person's personal life and also out in the world. There is so much to learn about this God principle and the way that God made us. The Word says in Genesis that we are made after God's image, His very own likeness, and it is being proven every day. Let's get into this study. Pray before you start that the Lord would open your understanding as you study and meditate on what is in these pages. Then after you have completed it, write or email me and let me know what you learned. God is about to revolutionize your prayer life, and your communication skills. Glory to the Father for His unending Love and His eternal grace and mercy to us who are a work in progress. There is therefore now, no condemnation to those who are following after His Spirit, and not the flesh! Sherry's paraphrase on Romans 12: 1-2.

We must not only walk but talk as Jesus talked and press toward saying what the Father says and doing what the Father does being led by the Holy Spirit just as our example Jesus did.

"Advancing the Kingdom of God" ~~~ "No More Church As Usual"

Father, glorify me along with Yourself and restore me to such majesty and honor in Your presence as I had with You before the world existed. I am revealing (speaking and acting according to the Father's will) God's very self to the people whom God has given me out of the world. They were His and He gave them to me and they have obeyed and kept His Word. I AM one with you Father, and You are One with me as I speak it!

H. The Heart and the Mouth.

1. The heart and the mouth are vitally connected.
 - a) Mt 12:36-37 For out of the abundance of the heart the mouth speaks
 - b) Psalm 19:14 Let the words of my mouth and the meditations of my heart be acceptable in Your sight oh Lord...
 - c) Proverbs 4:23 Keep thy heart with all diligence; for out of it flow the issues of life.
 - d) Ephesians 5:26 Washing of the water of the Word
 - e) Proverbs 16:21-24 The wise in heart...the winsome in speech...
 - f) I Peter 1:25 But the Word of the Lord (Divine instruction, the Gospel) endures forever, and this Word is the good news which was preached to you. (Isaiah 40:6-8)
2. You can quit what you do but you cannot quit who you are, and who you are will eventually bring you back to what you are supposed to do.
 - a) What has our purpose been? 2 Cor 5:9-10
 - b) What is the actual heart of a person? 2 Cor 5:10-13
 - c) Is your heart really as pure as it seems on the outside?
 - d) We no longer should look at people or our Lord from a fleshly view. 2 Cor 5:14-16

Now begin to consciously guard yourself from speaking like the world does. Stop saying things that might hinder the progress of good things in your life. No, you are not always sick at a certain time of the year. You have been made whole, sound and completely healthy by the stripes of Jesus. Stop saying that your child is rotten, or that your child had better watch it or they will find themselves in jail. Instead say that you have a child who is blessed by God, who excels in school, and who will serve God all the days of his or her life.

Speaking things that be not, as though they were is not lying, it is faith in action. Speaking the Word of God (which is truth and much more valid than what we see in the natural) over a person or a situation is the way God operates, and we are made after His image if we have been born again, made a new creature in Christ Jesus. I have seen this spiritual law work time and time again in my own life, so it is too late, no one could convince me now that I cannot live by faith and speak the Word of God in every situation of my life changing every situation for good.

The world says that a person is too heavenly minded to be any good. I say that we can't be too heavenly minded. It is good and it is right to attain everything that Jesus paid for on the cross at Calvary and gained victory over in hell, being raised from the dead, by acting on or should I say by obeying His Word, His life example. When He prayed to the Father in John 17, Jesus essentially asked God the Father to make us all ONE with them! Do you think that Jesus gets or got answers to His prayers? I say yes, and the Word of God states that His answers to us are yes and amen. Let us grow into Oneness with Him by learning how to speak properly for His sake!
